

SOLARA

555-33-VPB

Solara captures the quiet poetry of a solar system in motion; celestial, geometric, and gently luminous. Inspired by constellations, each cloud seedy glass shade glows like a radiant star, suspended in orbit by slender rods finished in Vintage Patina Brass. The 3- and 5-light chandeliers feature diamond-shaped shades that create dimensionality from every perspective, while the single-light pendant drops like a sculptural earring. The result is lighting that feels both architectural and romantic. They are designed not just to illuminate, but to bring a sense of wonder to the everyday.
